

# Newsletter

April 2016

## From Mayor Wayne Ake's Desk:

To my friends and residents of Bosque Farms:

*Thank you for your support, your work and returning me to the office of Mayor. We will continue to work to protect Bosque Farms and move it forward.*

During the campaign, many of the residents expressed desire to volunteer and get involved in the Village. If you have a desire to do so, please contact the office (869-2358) and leave your name and phone number and in what area you would like to assist. We will contact you as we begin to develop the different areas.

If you have questions or problems, contact the Village office because getting the residents involved is helpful and makes a difference!

Have a fun and safe summer.

## FROM THE JUDGE'S BENCH

*Judge Dolly Wallace*

I want to thank all of those who supported me during the recent Municipal Election and congratulate all of the newly elected Councilors and Mayor. May you always have the heart of the Village in mind as you guide us forward.

I take my new position very seriously and vow to do the very best I can. I have a wonderful staff that is always there for you should you have questions for us. I encourage reasonable communication on a timely basis with the Court as we are there for all, but at the same time, we are not there to be abused. You are invited to attend Court whether you have an appointment or not.

Wishing the best for Bosque Farms.

## VILLAGE OF BOSQUE FARMS APRIL CLEANUP

*James Padilla, Maintenance Supervisor*

The **Bosque Farms Spring Cleanup** will be held on Saturday and Sunday, the following weekends in April.

**Sat. & Sun. April 16th & 17th**

**Sat. & Sun. April 23rd & 24th**

**From 8AM to 4PM**

The dumpsters will be located at the **Maintenance Yard next to the Waste Water Treatment Plant on DeSmet Road.**

***Due to a limited number of dumpsters, residents will be allowed ONE load per household.***

shutterstock · 161694161

**Residents must bring a water bill or utility bill for proof of residency.**

**NO** computers, tires, concrete, ammunition or explosives, batteries, toxic chemicals, paint, asbestos or pesticides will be accepted.

**Large and Small appliances** such as refrigerators, washers, driers, televisions, toasters, microwaves, furniture, air conditioners, stoves, mattresses, sinks and toilets are accepted. For more information, call the Village Office at 869-2358.

# BOSQUE FARMS POLICE DEPARTMENT

*Greg Jones, Chief*

Please take note when contacting the police department, the Village office phone number (869-2358) should only be utilized to obtain administrative type services. This is the number to the department's Administration and Records Clerk. Only use this number to retrieve a report, speak with a supervisor or leave a message for a specific officer. If you need the assistance of a police officer or need to report a crime, please call the Valencia Regional Emergency Communications Center (DISPATCH) at **865-9130**. **To report a crime in progress or to report an emergency dial "911". Please remember: When you see someone behaving in a suspicious manner or hear a suspicious noise like breaking glass, please call our dispatch center immediately.** Your assistance in helping curb crime in Bosque Farms is vital to our community!

Spring is finally here and the ditches are once again filled with water. **Please** educate your children of the dangers of playing in and around the ditches. "TURN AROUND-DON'T DROWN" should be the rule & **REMINDE THEM OFTEN!!** Also, with warmer temperatures, the kiddos will be walking, biking and skateboarding back and forth to school, so please be watchful of them.

The year 2015 was very busy. We issued 2537 traffic and misdemeanor citations, wrote 1039 reports, investigated 114 crash reports, received 2292 calls for service and made 361 arrests (35 of those were for DWI). Several of our officers also worked with other agencies on grant projects designed to curb drunk driving, underage drinking and illegal use of narcotics. Just shy of 100 felony narcotics users were arrested, most from "routine" traffic stops on the highway and loops. It is a proven and well-known fact that as the drug users are "occupied" in governmental facilities, the property crime rate within the area significantly goes down. I firmly believe that our department's aggressive stance towards traffic & drug enforcement is one of the reasons we all enjoy our fine communities in which we live.

Our Toys for Tots campaign was once again a huge success. THANK ALL Y'ALL SO MUCH to all who helped make Christmas for those children that might have gone without having Christmas. A special thank you to Lodi's Beads and Dollar General. You did an incredible job of collecting toys for us and allowing people to use your business as a donation center. This is definitely a joint effort and our community really came together and made this event great. With all the toys and monetary donations we were able to meet the needs of both public schools and still be able to help the Valencia County Sheriff's Office with their needs. Our small village is filled with residents that have huge hearts!

Our COMMUNITY WATCH PROGRAM is doing a great job of making our Village safer; our VOLUNTEERS provide a tremendous service to this community. They donated

532.75 hours of their time in 2015, making a huge difference in our Village. THANK YOU SO MUCH!!!!!! When you see our Community Watch vehicle out & about, please wave and smile at our volunteers. When you are leaving town and would like to be put on the Residence Watch list, stop by the Village office or police station and fill out a form.

We have had numerous inquiries in reference to our Police Officer Foot Patrol Security Checks. We have actually had a foot patrol for years, but it has been utilized solely within the business districts. As of late, we have included our residential areas. You may find a card left by one of our officers just letting you know they have been in the area. We have received positive feedback and plan to continue the residential foot patrols.

And... in case you didn't know you can receive emails from the Chief's desk. The emails include announcements about Community Meetings, updates and bulletins and/or neighborhood alerts. If you would like to be on the email list, please send your request to [g.jones@bosquefarmsnm.gov](mailto:g.jones@bosquefarmsnm.gov) and you will be added to the list.

I am certain everyone has noticed that construction on Highway 47 has begun in earnest throughout Peralta. I have been told that the normal traffic flow will be disrupted for approximately 8 more months. Here are some tips to follow while driving through the construction zone:

- Take an alternate route if at all possible
- Adjust your schedule to allow for more travel time & try to avoid the "Rush Hours"
- Obey the new speed limits & all other traffic laws
- Remain calm and be patient, you never know who the other driver might be
- Increase your following distance between yours & the vehicle in front of you
- Check your mirrors frequently and "tap" your brake pedal to warn following motorists that may be travelling too fast or too closely
- Use caution around construction workers, they also want to return home
- If you are involved in a traffic crash, attempt to move your vehicles from the lane of travel and call dispatch (or 911 if someone is injured)
- Use the center lane for turning movements only, it is not a passing lane
- If you use the residential streets of Bosque Farms and Peralta as a detour, obey the speed limits and all stop signs
- The irrigation ditch roads are not to be used for through traffic (by order of the MRGCD)

Last but, as "they" say, not least – Thank you so very much for your continued support of the best 15 person police department within the great state of New Mexico!

**The police department's business hours are Monday through Friday, 7:30 am to 4:30 pm.**

## UTILITY DEPARTMENT

*Cliff Hibdon, Utilities Director*

### **Consumer Confidence Report for 2015**

In the past years we have always mailed the water quality report to our consumers.

We will not be mailing out the reports but will be adding a direct link on your May water bills. This link should take you directly to the report on our website.

The report will also be posted in the regular public places in Bosque Farms and will be available at the Village office. You may access the report by going directly to our Village website at [www.bosquefarmsnm.gov](http://www.bosquefarmsnm.gov). The water quality report will be available after June 1, 2016.

### **Shut Off Valves Required**

The Village is now requiring residents who install new water lines on their property to place a shut off valve on their service line as close to the meter as possible.

## WATER DEPARTMENT

*Cheryl Hibdon, Assistant Clerk*

If we are called out to shut off water service due to leaks and repairs, a **\$15.00 disconnect fee** to shut off the water will be billed to your water account. In addition, a **\$15.00 reconnect fee** will be billed when the water is turned back on.

These fees have always been in the ordinance but have not been enforced in recent years; however, because of an increase in calls for this service we have started charging disconnect and reconnect fees again.

**REMINDER: THE BASE RATE FOR WATER AND SEWER INCREASES BY 2% ON JULY 1 OF EVERY YEAR.**

### **Water Leak Reports**

We are now able to download a report from your radio read water meter that will give us leak information, which will show an intermittent leak or a continuous leak, or no leak at all. Please call the Village office if you think that you may have a leak.

## BOSQUE FARMS PUBLIC LIBRARY CORNER

*Amanda Carrasco-Vigil, Library Director*

No plans for vacation? Come by the Library so you can travel in the comfort of your favorite reading chair. We have lots of new releases and fun craft books to give you creative ideas. So you're more of an outdoorsy buff? We have lots of books and guides from gardening to travel. Come "Check-out" what is happening at your/our neighborhood library.

Summer is just around the corner and our Summer Reading program will kick off. Register at the information desk beginning on May 23<sup>rd</sup>, 2016 for the craft and/or reading log program. Schedules and prizes to be announced on our website and look for flyers in the library. We will also have a Tween/Teen Week for ages 10-17. Activities will begin on June 6<sup>th</sup> thru July 1<sup>st</sup>, 2016. If you have a knack for creating, this is a week to show it. Great prizes for winners at the end of the week.

Thank you to all for voting "YES" for the GO BOND. This benefits our libraries and our schools in Valencia County.

I would like to thank my staff and volunteers for all their hard work. Come visit us at the "HEART OF THE COMMUNITY".

### **NO CELL PHONE USAGE IN BOSQUE FARMS WHILE DRIVING**

It is against the law to use a cell phone in Bosque Farms while driving. Signs are posted within the Village limits.

Please help keep our Village and yourself safe by obeying this ordinance. Keep your hands and thoughts on the road and remember the safety of others especially with the school children out of school this summer.

# BOSQUE FARMS EMERGENCY MEDICAL SERVICES-RESCUE 5

Vernon Abeita EMS Director

Greetings! My name is Vernon Abeita and I am the new Emergency Medical Services (EMS) Director for the Village of Bosque Farms. I am a licensed Paramedic and will be receiving my Associate's Degree in Emergency Medical Services in April 2016. I have 20 years of experience in EMS, 6 years in Emergency Management and enjoy working in the emergency response field. I am very excited to be here and enjoy working for and serving the Village of Bosque Farms.

The Rescue/EMS Services is a volunteer service provided to the community of Bosque Farms and patrons who may be visiting the Village or passing through and may need help during a medical or traumatic event. The department is looking for new recruits to volunteer. If you are interested in the field of EMS and want to volunteer please contact me at 505-869-2358 Ext. 40.

Spring has arrived! As part of our services we can provide medical stand by for an event that may have the potential for injury or medical issues. We have been contacted by Bosque Farms Rodeo Association to stand by at their scheduled Rodeos in March and August. We are also assisting the First Baptist Church for a mass CPR training they have scheduled in April. If there are any events you may want EMS stand by, please notify the department well in advance so we may schedule EMS volunteers to assist with your event.

As I mentioned earlier, springtime is here and it's that time to get ready for outdoor sports such as rodeo, baseball, softball, soccer and football. All sports have potential risks for injury even with the best protection available. Some studies show that football is the most common sport with concussion risk for males and soccer is the most common sport with concussion risk for females and that 78% of concussions occur during games (opposed to practices) in any sport. I want to take this moment to talk about sports concussions and their signs and symptoms.

## What is a Concussion?

The Centers for Disease Control and Prevention (CDC) defines a concussion as a type of traumatic brain injury—or TBI—caused by a bump, blow, or jolt to the head or by a hit to the body that causes the head and brain to move rapidly back and forth.

## **Concussion Signs and Symptoms**

### Concussion Symptoms Reported

- ◆ Headache or "pressure" in head
- ◆ Nausea or vomiting
- ◆ Balance problems or dizziness, or double or blurry vision
- ◆ Bothered by light or noise
- ◆ Feeling sluggish, hazy, foggy, or groggy
- ◆ Confusion, or concentration or memory problems
- ◆ Just not "feeling right," or "feeling down"

### Concussion Signs Observed

- ◆ Can't recall events prior to or after a hit or fall
- ◆ Appears dazed or stunned
- ◆ Forgets an instruction, is confused about an assignment or position, or is unsure of the game, score, or opponent
- ◆ Moves clumsily
- ◆ Answers questions slowly
- ◆ Loses consciousness (even briefly)
- ◆ Shows mood, behavior, or personality changes

Signs and symptoms of a concussion generally show up soon after the injury. You may not know the seriousness of a concussion based on the signs and symptoms. Some signs and symptoms may appear hours or days after the initial injury. You should continue to check for signs of concussion right after the injury and a few days after the injury. If your child or teen's concussion signs or symptoms get worse, you should take him or her to the emergency department right away to be evaluated. For more information about sports concussions you may visit the CDC website at <http://www.cdc.gov/headsup/index.html>

Thank you for taking the time to read this article. If you have any questions comments or concerns, please call me at 505-869-2358 Ext. 40. The Emergency Medical Services business hours are Monday through Thursday 9:00 a.m. to 3:30 p.m. Remember in any cases of an emergency please dial 911.

# BOSQUE FARMS HISTORICAL EXCHANGE FORUM And Neighbor-Helping-Neighbor Program

*Submitted by Bob Courtney*

## The Forum

The Forum sponsored a presentation entitled, "A Day in the Life of a Civil War Soldier", at the Bosque Farms Community/Senior Center on October 25, 2015. The guest speakers were Ken Dusenberry and Rick Lohsen. Both Ken and Rick are members of The Artillery Company of New Mexico. They spoke of a day in the life of both an Infantry and a Calvary soldier. The presentation and speakers were so well received that we are considering having an encore presentation in 2016.

## The Neighbor-Helping-Neighbor Program

On February 21, 2015, a Spaghetti Dinner Fundraiser was held by the Bosque Park Neighborhood Association (Neighbor-Helping-Neighbor Program) with support of the Bosque Farms Administration. The money collected from the fundraiser assists those less fortunate individuals and families living within the Village of Bosque Farms.

During November, 2015, we were able to make sure six families in Bosque Farms received everything needed to have a warm Thanksgiving meal. Each family received the following dinner package: a 15-16 Lb. Butterball Turkey, Mrs Cubbison Dressing, pumpkin pie, cranberry sauce, canned veggies, refrigerated mashed potatoes, refrigerated sweet potatoes, Hawaiian Dinner Rolls (12 each), a gallon of whole milk, and a container of Cool Whip.

This was accomplished anonymously and with the help of the Bosque Farms School Counselor (Margo Rivera), the school's gifted children's class (Suzanne Archuleta), and Wayne Ake. The process for the Neighbor-Helping-Neighbor Program in assisting families went very smoothly, and we look forward to helping more individuals and families living in Bosque Farms.

## **KEEP BOSQUE FARMS BEAUTIFUL**

*Submitted by Loretta K. Hatch*

### ***WE NEED YOUR HELP!!!***

Join us at the Community Center on May 14th at 10am and help us beautify the Village. This year our Great American Cleanup will be focusing on planting vegetation at the Community Center. This landscape project is funded by New Mexico Clean and Beautiful. We will be planting native plants from Plants of the Southwest. There will be T-shirts, gloves, and other goodies handed out as well as an appreciation BBQ for all the volunteers.

5

The Village has cleanup kits available at the Village office for anyone who would like to pick one up and do a cleanup at a time of their choosing. We understand that you may not be available to attend a scheduled cleanup event. Just come by and pick one up, let us know when you are finished and if you need us to pick up the bags. The kits will contain trash bags, gloves, and other goodies for your efforts.

The Village is starting an Adopt-A-Highway program in cooperation with the New Mexico Department of Transportation. Highway 47 stretches 2.5 miles through the Village and is a major thoroughfare to Albuquerque. Unfortunately, with that high volume of traffic comes a higher incidence of litter. In an effort to keep our youth who attend our cleanup events safe, we have decided to keep them away from Bosque Farms Boulevard and will have organizations adopt sections instead.

NMDOT will provide vests, trash bags, signage for traffic and I will hook you up with some goodies for your effort. Plus your organization will get some recognition with a sign out on the Boulevard.

The Neighbor-Helping-Neighbor Program has already adopted one section of Bosque Farms Blvd. ***Way to go guys!!!*** There are still two sections available for adoption. If your organization would like to adopt a section please contact Loretta at 869-2358.

## **PLANNING & ZONING**

*Loretta K. Hatch, P & Z Officer*

Weed season is upon us! Although we have a few bad seeds out there who are, shall we say, less than eager to keep their weeds under control and stop spreading *their* seeds around the Village, most of us have been doing a great job at keeping up with the little menaces. Weed patrol has already begun and please let us know if you see something that we may be missing.

Please remember that it is always a good idea to check with me about any development you plan to do on your property. This includes sheds, shade structures and fencing. A permit may be required. It's better to check first rather than have to take it down and start over.

Come see me at the Village of Bosque Farms Fair on Saturday, August 6th. I hope to have some very howl worthy news for the Village. I will also have community information there and as always I am available for questions. See you at the Fair!

# COMMUNITY CENTER NEWS

*Rose Poitras, Community Center Director*

We are all about community in this Village, but a community is a living organism that needs our loyal support to sustain it and make it thrive. Establishing and maintaining a network of relationships and communication is of vital importance in accomplishing this. Fortunately, the community center is a great place to do both.

Consider this a challenge: look around and see what you could do to personally become involved and make those connections. It could be as simple as making a phone call to check up on an elderly person who's living alone, helping a neighbor, picking up trash, sharing your ability, skill or knowledge, or in some capacity supporting those who do; or volunteering a couple of hours a week at the community center, library or other places that serve the community.

Communication can also be as simple as word of mouth, looking in the newspaper, on a bulletin board or sign, or getting on a newsletter or email list. Never-the-less, many are still left out of that communication loop. For those interested in staying in the loop, the community center creates a new calendar of activities every month. It is available in printed form on site, online at the Village website, or via email.

## Here's a general overview of most of our current activities:

- Senior activities, including: exercise classes, meals, movies, games, trips, parties, dances and more
- Community dances, parties and special events (free to \$3)

## A few noteworthy upcoming events include:

- Higher Ground Bluegrass Band on Saturday, April 9<sup>th</sup>, from 7-9 pm
- Mother's Day Arts & Crafts Fair on Saturday, April 30<sup>th</sup>, from 9 am to 5 pm
- Valencia County Community Band 3<sup>rd</sup> Annual Patriotic Performance and Ice Cream Social on Friday, June 24, from 7-8:30 pm

Protecting local community events and activities that are already established from becoming history, requires that community's participation and involvement, (which

obviously can't happen if people aren't aware of them in the first place, so spread the word. A list of all events is posted monthly on the Village office bulletin board).

New opportunities are also created when we, the members of the community, make them happen. So, the next time you have a little free time or have an idea that you would like to pursue, get in the loop and see what happens! Who knows? We may start a new craze or, even better, a new tradition!

## ANIMAL CONTROL

*Vince Otero, Animal Control Officer*

Remember that summer is getting closer and will soon be upon us. You need to make sure that you take precautions to keep your animals safe while they are out in the yard. Your animal needs plenty of fresh water to stay hydrated along with some type of shade and wind block to keep them out of the elements. This is the easiest way to help your animal regulate its body temperature.

It is never a good idea to leave your pets in a hot vehicle even if the windows are partially rolled down. The interior compartments' temperature will be extremely hotter than it is outside due to the heat being magnified by the glass and no air circulation inside a nonmoving vehicle.

We all enjoy taking our pets for a ride in our vehicles, but remember it is ILLEGAL in the Village of Bosque Farms to have a pet on your lap while driving or unsecured in the back of a truck. This is for the animal's safety and for the safety of the people around the vehicle. It is also the law in the state of New Mexico to keep your pets up to date on their rabies vaccinations.

As always, if you have any questions or comments, feel free to contact me through the Village office and I will get back to you as soon as possible.

Please make sure you clean up after your pets as you walk the walking path around the loop. No one enjoys an unexpected visitor on the bottom of his/her shoes while out enjoying our community. Thank you.

## FIRE DEPARTMENT NEWS

Spencer Wood, Fire Chief

The Bosque Farms Volunteer Fire Department recently received an ISO rating of Class "3". **ISO** - Insurance Service Office - This is an organization that rates fire departments. The rating given by ISO is then used to calculate your insurance rates. The ISO rating scale is from 10 - 1. With "1" being the best. We were a Class 4 previously so the savings in premiums per household will be modest. Check with your insurance company to see if the new rating will affect you.

I want to thank our volunteers for their dedication to the community without them our great rating would not be possible.

Due to the summer and fall moisture that we received, we are likely to have a longer burning season than last year. However, we are still considered to be in a drought and the possibility exists that open burning could be banned at some later time. Before burning, obtain a burning permit (free of charge) from the Village Office and please read it carefully before signing.

There seem to be a couple problems inherent to open burning and they concern **SMOKE**.

- ◆ Please be sure that the materials you burn are low in moisture content. **There should be more flames than smoke at all times.**
- ◆ The hours for open burning are from one hour after sunrise to one hour before sunset. Historically, some residents ignore these hours and burn past the allowed times. This presents a problem with the quality of life we all enjoy here in Bosque Farms. As the air cools in the evening, the air "drops" lower to the ground, taking all the smoke with it. No one enjoys their homes being blanketed in smoke and we always receive numerous complaints concerning burning after hours.

**We all should keep in mind that violations of the permit could result in a fine up to \$300.**

On the positive note, most of the open burns are conducted within the guidelines of the permit and y'all are doing a great job in containing and controlling your fires. Keep up the good work. Happy Burning.

## BF GROWERS MARKET

George Torres, Market Manager

Welcome to the 4<sup>th</sup> Year of the Bosque Farms Growers Market. Our market begins on Saturday, May 7<sup>th</sup>, 2016, from 8 am to 12 noon, at 1090 N. Bosque Loop near the playground and baseball field. We are pleased to provide you with fresh, locally grown food, locally grown garden and landscape plants, and locally made crafts.

You may be pleased to know that most of our growers live in and grow their products in Valencia County. The local growers markets in Bosque Farms, Los Lunas, and Belen provide an opportunity for small growers and craft producers to sell their products in Valencia County. As a matter of fact, you may know some of our growers and crafts people because they live right here in Bosque Farms.

So what's the big deal with buying local? You might be surprised to find out that New Mexico is one of the top agricultural states in our nation. So doesn't it seem surprising that 99% of the food people purchase for their dinner table is from somewhere else? Isn't one of the hot topics jobs and the local economy? Buying local helps your money circulate in the local economy at least 3 to 4 times before it leaves our area. Buying local provides jobs in the agricultural industry and helps people keep their small farms. Buying Local helps support hundred of years of growing tradition in Valencia County. Isn't good nutrition, long-term health and food safety important to you? Buying local supports high food quality and regional bio-security. Are these issues important enough for you to make an effort to buy local?

As you all know, food inflation, stagnant wages, and other costs have made budgets even tighter these last few years. We would like to announce that the Double Up Food Bucks (DUFb) program for the people who have EBT has been extended. The New Mexico State Legislature and the federal government have decided that this program has been very beneficial for New Mexico's small growers and consumers. We agree. Every \$2 in EBT money spent will be matched with another \$2 for produce items. This is wonderful for helping people have better nutrition for themselves and their families. And, again, it helps money circulate in our local economy instead of flowing out.

Please, feel free to come by the market to ask the Valencia County Master Gardeners questions you may have about science-based gardening, which includes integrated pest management and bugs.

If you would like to become a vendor at our market, contact our market manager, George at 869-9409 or [george@qwestoffice.net](mailto:george@qwestoffice.net).

## BOSQUE FARMS FAIR

*Melanie Bennett, Fair Board Pres.*

The 2016 Bosque Farms Community Fair will be held August 5, 6, and 7. Our theme will be "Back to the Beginning by Honoring Our Past". Watch for fair books (available at the Village office and elsewhere in the Village) which will be out in early summer for more information. For the first time we are able to offer color ads in our fair book. To place an ad, apply as a vendor, or volunteer to help put on the fair, please call Melanie Bennett at 401-9990

## VILLAGE OF BF OFFICES

*Will be closed for the following 2016 holidays:*

Good Friday	Friday, March 25
Memorial Day	Monday, May 30
Independence Day	Monday, July 4
Labor Day	Monday, Sept. 5
Veteran's Day	Friday, Nov. 11
Thanksgiving Day	Thursday, Nov. 24
Day after Thanksgiving	Friday, Nov. 25
Christmas Day Holiday	Monday, Dec. 26

## NO DUMPING TRASH ON CONSERVANCY DITCH BANKS

Dumping yard waste, grass clippings, tree limbs, and other waste, is PROHIBITED along Conservancy ditch banks. Please do your part to keep Bosque Farms Beautiful and not piled with your yard waste and other trash.

See front page of this newsletter for dates and times of the disposal dumpsters at the Bosque Farms Maintenance yard. Lets clean up our Village and our properties!

Go to [www.earth911.com](http://www.earth911.com) for information for disposing of waste, paint, etc. Provide your zip code to Earth 911 and you will find where you may take your items.

## TAKE CARE OF YOUR ANIMALS AND OUR COM- MUNITY

Per the Bosque Farms Ordinance 8-3-1, when walking or running your pets, they **MUST ALWAYS BE ON A LEASH**. Take a plastic bag on your walks and pick up after your pets. Your neighbors and others will appreciate your thoughtfulness.

## BICYCLE HELMET LAW

Parents and riders, please remember that children 17 years of age and under must wear helmets while riding bicycles. Please help keep our Bosque Farms young people safe at all times. School time is a busy time for bicycles and children.

## VILLAGE OF BOSQUE FARMS INFORMATION

### Village Office

Monday - Friday 8 AM to 5 PM  
Telephone Number 505-869-2357

### Police Department

Monday - Friday 8 AM to 4:30 PM
